December 2025

Christ filled Christmas

Luk 2:14 Glory to God in the highest, and on earth peace, good will toward men.

Dear Friend's and Co-Labors

Our December is almost gone as we wrap up this Christmas season: it is our sincere hope that you were able to celebrated as at the first with nothing short of "Glory to God in the highest" for the wonderful gift of his Son!

As we mentioned in our previous letter we have left Arkansas, and have arrived in Thomaston GA, where Pastor Josh Shannon has been anxiously awaiting our help. The plans here were to replace a back door on an emergency exit and remodel the fellowship hall restrooms to allow handicap access and better use of what are now a very tight and uncomfortable facilities. However plans change often, and it was decided that the restroom remodel should wait until the first of the year to accommodate the churches needs, but that didn't stop us from working, as the church had already decided to change out all the old fluorescent lights with new LED puck lighting throughout the fellowship hall and the Sunday school rooms. No small task considering there are over eighty lights to install. By the middle of December the better part of these lights were complete and my wife and I were able to return home for Christmas to spend time with our family.

On a more personal note, we would like to extend a gracious **thank you!** to all those who have been and are still praying for my wife's father. This has been a blessed Christmas for us and for her especially, as she doesn't get to spend a lot of time with her dad. Being this close to home we have decided to split our efforts; my wife is going to stay here in NC for a few weeks and live with her parents, while I return to GA and continue the work. This will make life a great deal more difficult for the both of us, however we feel that God has worked out the timing just right!

Normally there are several other siblings around that are able to help out alongside her mother, however due to a recent fall her mom is in need of attention as well, and one of the other siblings had to have knee replacement surgery. God is so good to us by arranging it so we could still be close by and our family need's and responsibility would be met through his grace! What a blessing to be able to help and to enjoy Christmas as a family one more time this side of Heaven!

Please continue to pray for our family as we try to be a help and to be pleasing to the Lord.

Please continue to pray for our safety in travels, and in work as well.

And as always **THANK YOU!** For all your support and prayers!
