September to Remember

Psa 71:15 My mouth shall shew forth thy righteousness *and* thy salvation all the day; for I know not the numbers *thereof.*

Dear Friends and Co-Laborers, we serve a wonderful and gracious God: his love and kindness exceeds all expectations in everything and in every way! I just wanted to take a moment to remember how good God is to us. Often when times are difficult and the load seems heavy, and the days become long and weary, we forget that we are not alone. Isa 41:10 says "Fear thou not; for I *am* with thee: be not dismayed; for I *am* thy God: I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of my righteousness." In the month of September, we've come to understand a new strength that only the presence and grace of our God can bring!

There's not a great deal to report as far as the work is concerned. We spent the first few days of the month of September in Ward, Arkansas continuing the work on the first floor of the gymnasium addition. By God's grace we were able to finish up the electrical rough in and began the sheetrock work in the profits chambers. However, our time here was cut short and we had to leave Karl and Mary to continue the work without us. I am thankful for such good friends and hard-workers to labor beside, when times get difficult.

As I've mentioned in many prayer letters over the past year, my wife has needed to spend a great deal of time back home taking care of her dad.

Shortly after the first of September, we received a call from my father-in-law's hospice nurse encouraging the family to come quickly, as he had taken a turn for the worst. Our God is so gracious however, that upon our return, he seemed to pull out of it, and for a few wonderful days, the family was able to spend some quality time with him.

On the 22nd of September, in the early morning hours, my wife's dad went home to be with the Lord. His race was run. He had finished his course. He was a husband, a father, a Veteran of our great country, but most importantly he was a child of God! And for me personally, he was a shining light that helped me see Christ as my Saviour! He will be dearly missed.

Please continue to pray for my wife, as she has remained behind in North Carolina to help her mother with all the paperwork and the transition from 57 years of marriage.

Thank you again for all your prayers for him and for us.
