Optimizing October

Psa 84:12 O LORD of hosts, blessed *is* the man that trusteth in thee.

Dear Friends and Co-Labors

Another month has come and gone and once again we're not sure where it went. Time seems to just slip by so fast when your happy serving the Lord!

As we mentioned in our last letter we were finishing up as much as we could with the fellowship hall in Summersville WV. By God's grace we were able to help set almost all the roof trusses before we were forced to return home for medical appointments. Thankfully Karl (our fearless captain) was able to stay an additional week without us to see them all set and a good bit of the roof covering as well! Our absence didn't hinder the church in Summersville much by the time the conference was over we received word that they had finished the roof, had it dried in, and were starting shingles. Praise the Lord! That was the main goal, and necessary to protect the completed work from the coming winter.

As much as we would have loved to stay, October is also the annual FOA (Focus On America) conference, in Springfield MO; hosted at NTCP's home church, Willison Creek Baptist. Once a year we do our best to attend and assist with whatever needs may arise, and meet as many church planters as we can to offer our help for the ministry. It's always a tremendous blessing to be involved in the raising of money for church planting here in our own country. This year was no different as the Lord blessed the Conference and it was able to raise just over \$100,000 dollars for the work! Praise the Lord for his amazing grace!

God has been more than good to us as we have traveled across this country, even more so to me personally! I mentioned in our last letter, the return home was a needed one, as I was having reoccurring chest pain and was in need of a heart cath to be performed to check things out. Thankfully it did all check out! Not sure what happened or how, but the doctors have given me the ok to return to work and the pain has stopped! I feel great, and they still don't know what the problem was. But God did, and I give him the GLORY for fixing it! Not only did he fix it but the bill was covered as well all \$25,000 of it. PAID IN FULL! What a Mighty God we serve!

By the first of November we will be in Rosebud Arkansas, with Pastor Luke Bishop, at Freedom Baptist Church, helping to finish their new facility. Please continue to pray for our health and safety in the work, and as always thank you for your continued support!
