PROFESSIONAL SERVICES

Basic Services of Funeral Director & Staff

\$1,990.00

This charge includes consultation with the family or responsible party; staff and facilities to respond to initial requests for service; coordinating service plans with clergy, cemetery, crematory, and/or other parties involved in the final disposition of the deceased; securing official documents and necessary registrations; sheltering of the deceased. It also includes further assistance to the responsible party in filing of insurance claims, public notary service, and other claims or filing as necessary. Further included in this charge are overhead expenses related to the operation of our business and facilities such as administrative, secretarial, maintenance and utility expenses, equipment and inventory expenses.

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving of remains.)

Embalming

\$850.00

Except in certain special cases (see requirements of Michigan Law set out below), embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing or visitation. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

Michigan Law requires embalming when death was caused by certain infectious diseases or, with very limited exceptions, when the body is not taken to its final destination (such as cemetery or crematory) within 48 hours of the time of death. Most common carriers also require embalming.
