Citadel™ Value Series 4 Ft. Vapor Tight Light

Description

The Citadel™ Value Series 4 Ft. Vapor Tight Linear LED Light is engineered for essential environmental protection without compromise. Built with impact-resistant UL 5VA polycarbonate housing and simplified latching system, this fixture delivers IP65-rated moisture and dust protection where budgets matter as much as performance. The open-bottom design provides tool-free lamp access and UVC retrofit capability, making it the practical choice for warehouses, light manufacturing, retail spaces, and commercial facilities that need dependable vapor tight lighting at an entry-level price point.

Polycarbonate Housing

MADE IN USA · IP65 · IP66 · IP67 · RoHS COMPLIANT · DLC LISTED · NEMA 4X · NSF · cULus LISTED · 5yr WARRANTY

Benefits and Features

- Impact-resistant UL 5VA polycarbonate durable housing
- IP65-rated protection against moisture and dust intrusion
- Simplified clip latching system reduces manufacturing cost
- Open-bottom design for tool-free lamp access
- UVC retrofit-ready configuration for germicidal applications
- Economical mounting brackets keep installed costs down
- Universal boardtray platform simplifies inventory management
- Narrow 4 ft profile fits standard commercial spaces
- Made in USA with BAA/BABA compliance for federal projects
- Entry-level pricing without sacrificing essential vapor tight protection

Electrical

- Universal voltage operation (120-277 VAC) standard.
- High voltage option available (347-480 VAC).
- Standard 0-10V dimming for lighting control integration.
- Dim-to-off capability for maximum energy savings.
- Multi-CCT switchable options (3000K/4000K/5000K).

Applications

- Warehouses and distribution centers
- Light manufacturing and assembly facilities
- Retail back-of-house and storage areas
- Commercial building maintenance spaces
- School corridors and institutional facilities
- Parking garages and covered structures
- Loading docks and receiving areas
- General-purpose indoor/outdoor commercial spaces

Certifications

- UL 1598 listed for wet location applications
- IP65 ingress protection rating
- RoHS compliant for environmental safety
- DLC QPL qualified for energy rebate programs
