Massachusetts Deaths - Additional Charges

Massachusetts Cremation Permit - \$200 additional. For a death occurring in Massachusetts, a Massachusetts cremation permit is required in addition to the Rhode Island requirements. The \$200 Massachusetts permit charge is added to the selected Cremation 360 package.

Massachusetts Funeral Home Sheltering - \$200 when required. When local Massachusetts funeral-home sheltering is required, an additional \$200 charge applies. If the deceased remains at the Massachusetts hospital while the required authorization is completed, this sheltering charge does not apply.

Massachusetts package totals with permit only: Direct Cremation - \$2,495; Veterans Cremation - \$2,395. Any applicable sheltering charge is additional.

Veterans Documentation

The **official DD-214 must be submitted** to Cremation 360 for the Veterans Cremation package discount and for assistance obtaining the U.S. burial flag. If the required documentation is not submitted, the standard Direct Cremation price applies.

Obituary Assistance

For **\$195**, Cremation 360 will prepare a personalized obituary from information supplied by the family and submit it on the family's behalf to the selected newspaper or publication. Newspaper and other third-party publication charges are additional at actual publication cost.

Services Not Offered Through Cremation 360

Cremation 360 is a limited direct-cremation offering. Traditional funeral services such as embalming, public viewing or visitation, funeral ceremonies, hearse service, limousine service, immediate burial, caskets, and outer burial containers are not offered through Cremation 360 and are not part of this General Price List.
