

Bloom
FINE ARTS
PRESCHOOL

Through hands-on, meaningful experiences in the arts, children at Bloom Fine Arts Preschool are able to explore the world through their inherent and natural curiosities. The arts provide a playground for the mind of the child. Arts education is the answer to preparing young minds and bodies for a creative world. This program is specifically designed for ages 3 & 4 by Oct. 1, 2025. For more information, visit www.GreerPreschool.com
