

Mosaic Chambers
Group

COMPANY PROFILE

**Expert Tax, Family Office & Wealth
Solutions for High-Net-Worth Individuals,
Entrepreneurs & Companies**

ABOUT US

At Mosaic Chambers Group, we specialise in delivering expert tax, trust and company incorporation and administration and wealth solutions tailored for high-net-worth individuals, entrepreneurs, and companies through family office style approach.

With hubs in the UAE and in the UK, we are the trusted partner for seamless relocation, efficient business setup, and comprehensive tax, family office & wealth services.

MISSION

Mosaic Chambers Group was set up with a simple premise of establishing a professional services company that includes tax advisory, trust and company service provider and wealth management offerings that provides on-going advice through a family office style approach primarily targeting entrepreneurs and HNWI's.

USP

The key USP is that Mosaic Chambers Group differs from other similar businesses, in that we are in long-term partnerships with our clients, working to understand their unique goals and aspirations. We do not just provide transactional advice to clients, we are their on-going trusted partner and have in-depth knowledge of their businesses and the needs of their families.

AREAS OF EXPERTISE

Our key area of expertise is enabling companies and individuals seeking to relocate or transact across borders.

TARGET AUDIENCE

High-net-worth individuals, entrepreneurs, and companies seeking expert guidance in tax optimisation, wealth management, and business operations, particularly those looking to relocate or establish a presence in another jurisdiction.

SERVICES

Relocation

Mosaic Chambers Group offers comprehensive support to individuals and businesses to relocate to another jurisdiction:

- Business setup in free zones and mainland
- Visa consultation and processing (Employment, Investor, Golden, Freelance, and Dependent Visas)
- Residential and commercial property sourcing
- Bank account opening assistance
- Education and school selection guidance
- Healthcare and insurance support

Corporate Services

Mosaic Corporate Services is your trusted UAE company services provider that can incorporate and administer companies in the UAE free zones and the mainland.

Company Incorporation

Mosaic Corporate Services simplifies business setup in Dubai, across the UAE, and in other international jurisdictions by managing all aspects of company registration.

Trust & Foundation Formation and Administration

Setup and management of family trusts, charitable trusts, and private foundations to protect assets, ensure responsible management, and maintain legal compliance.

Accounting & Financial Reporting

We offer full financial reporting and bookkeeping services to help businesses stay compliant with local regulations.

Tax

Mosaic Tax Services provides expert tax advisory services to help clients navigate multi-jurisdictional tax regulations efficiently. Our team ensures compliance while optimising tax strategies to meet your unique needs.
