Natatorium Competition Pool Update

Waves, thank you for your patience as we work to get the competition pool back up and running. We are happy to report that the pool is making progress! We will continue to provide updates as they become available. At this time we are planning on utilizing the competition pool for the Waves Summer Invite this weekend. The coaches will continue to provide practice times via email.

Waukee Waves Open Invitational

This weekend, June 20-22, Waves swimmers will compete at the Natatorium for the first ever Waukee Waves Open Invitational! The meet is long course meters and will take Friday night, Saturday and Sunday. All meet information is posted on the Waves website, [here](#). **We need more volunteers to successfully run this meet.** Please consider volunteering, [here is the link to sign up](#). Volunteer timers will receive \$25 per session timed that can be used to offset Waves dues. We appreciate your help! LET'S GO WAVESSS!

Swim Practice Updates

No morning practice on Monday 6/23 following the Waves Invite. We will provide the practice schedule for next week soon.

Dive Practice Updates

Dive practices for the remainder of the week are cancelled. We will provide updates when the competition pool is ready to be used. The summer dive season will conclude on July 22.
