November	Half-month dues (see 1)	No dues (see exception 2)
December	Full dues if active	No dues
January	Full dues if active	No dues
February	Full dues if active	Half-month dues (see 3)
March	No dues	No dues
April	Full dues if active	Full dues if active
May	Full dues if active	Full dues if active
June	Full dues if active	Full dues if active
July	Full dues if active	Full dues if active

Full dues if active means full monthly dues apply while the swimmer is active with the Waves.

1 Girls: November billing

Swimmers who return to Waves practices and/or meets in October or November after their high school season ends are charged half of November's dues, regardless of their return date. The charge is entered manually in mid-November. Swimmers returning in December or later will not be billed November dues.

2 Boys: November exception

November dues do not apply, even if a swimmer participates with the Waves before joining his high school team that month. However, swimmers who train with the Waves and attend Junior Nationals with the Waves in December are charged November dues.

3 Boys: February billing

Swimmers who return to Waves practices and/or meets in January or February after their high school season ends are charged half of February's dues, regardless of their return date. The charge is entered manually during the second half of February. Swimmers returning in March or later will not be billed February dues.
