

Mended Hearts™
of Central Ohio

Heart Education Meetings

RSVP to join us and Dr. Ray E. Hershberger, MD, Professor of Medicine and Director, Division of Human Genetics; Joint Appointment, Cardiovascular Division, Heart Failure and Cardiac Transplantation at OSUWMC speaking on:

"Living to Age 100"

including a discussion of living healthy and successfully with heart disease (with Q&A opportunities).

You will also meet some inspirational people with serious heart issues and hear some uplifting stories!

Thursday, September 8, 2016

**6:00 pm - 8:00 pm in the Ross Heart Hospital Auditorium,
OSU Wexner Medical Center, 452 West 10th Avenue, Columbus, OH 43210**

Light meal provided and a parking pass for the adjacent Safe Auto garage
(visit www.medicalcenter.osu.edu for directions)

Ray Hershberger, MD, is a physician-scientist and has a distinguished record of extensive peer-reviewed funding, and most recently was funded to pursue research in familial dilated cardiomyopathy. His publication record includes more than 100 peer-reviewed papers, five book chapters, and several websites. He has mentored many post-doctoral fellows and graduate students. He reviews for numerous prestigious journals in genetics, cardiovascular medicine, and in pharmacogenomics. He is a member of many professional societies, including the American Society of Human Genetics; International Society for Heart Transplantation; American College of Cardiology; International Society for Heart Research and the Heart Failure Society of America. Dr. Hershberger is also a fellow of the American Heart Association in the Functional Genomics & Translational Biology Council. His education includes an M.D. from the University of Nebraska, a Fellowship in Heart Failure and Cardiac Transplantation from the University of Utah, a Research Fellowship in Cardiovascular Disease from the University of Utah, a Residency in Internal Medicine at the University of Kansas-Wichita, an Internship in Internal Medicine at George Washington University and a BA from Goshen College.

RSVP to Jeff Davidson at (614) 580-1561 or jadavidson@columbus.rr.com

Mended Hearts members seek to inspire, comfort and support heart patients and their families and people at risk of heart disease. Since March 2011, our central Ohio Chapter has grown to over 260 members and made over 8,000 heart patient visits at the Ross and University Hospital East. We share heart success stories, strive to stay healthy long-term, and host educational meetings each month!
