General Policies

We endeavor to provide you with appropriate services and ceremonies to meet your needs in celebrating the life of your loved one. It is important that the arrangements meet your wishes and budget. Please review the following policies of our funeral home.

Embalming: Embalming is not required by law. However, should you choose to have a public viewing, embalming will be required with our funeral home.

Viewing: All viewings (even with embalming) will take place within 7 days of the date of death.

Private family viewing: Must occur within 48 hours from time of death when embalming is not selected. We regret that this cannot be offered when trauma or decomposition is present, after an autopsy, or when organ donation has occurred.

Spring interments/full burial: All full burial interments will be completed by May 31st of each year.

Spring interments/cremated remains: Spring interments should be scheduled as soon as possible once cemeteries are open. Spring interments are scheduled Mon-Thurs during regular business hours. Interment requests outside these times will be considered with the additional fee of \$250 (noted in GPL) and based on availability of the funeral home.

Third-party merchandise: We welcome third-party merchandise of all kinds. Please note that we are not responsible for the quality of the merchandise brought into the funeral home and cannot be held accountable for breakage or defects that occur in the normal process of handling the product. Example: cremation jewelry that breaks during the process of filling it or won't seal properly.

Payment Policy: In an effort to provide the finest services possible, we are dependent upon the families we serve for making payment in a timely fashion. Payment is due within 10 days of date of death, except for full burials. Due to the significant expense that the funeral home must pay in advance, payment for full burial services is required before the date of burial. For your convenience, we offer as many simple payment options as possible: Personal Check, Bank Check, Money Order, Cash, Visa, MasterCard, Debit Card. A 3.5% charge will be added to credit card payments.

Assignable Life Insurance: Life insurance may be used as a means of full or partial payment for funeral and other related expenses. (Must be verified in advance) We can assist the family with processing the various claims forms. Due to the length in processing times of some life insurance companies, policy information must be provided to the funeral home within 48 hours of arrangement conference.

We regret that we are unable to accept settlement of estates through attorneys or probate court as a means of financial arrangements. The family is responsible for the entire balance according to our payment policy. The family will be eligible for complete reimbursement from the estate. Should payment be made by an estate or insurance company (not including life insurance discussed during the arrangement) any compassionate discount provided will be rescinded and the full amount of the statement will be billed.

We also regret that we are unable to accept private or 'in-house' payment plans as a means of financial arrangements.

All unpaid balances after thirty days (30) from the date of death accrue late fee charges of 1.5% per month (18% per year). All late fees are incurred from the date of death. All unpaid balances after ninety days (90) from the date of death may be submitted to an agency for collection.
