IDEALSAFE SAFETY & COMPLIANCE

Training and Consulting to Minimize Risk

Need help managing fleet safety?

Staying on top of complex regulatory changes can be challenging while focusing on serving your customers and growing your business. Idealsafe **Safety & Compliance** programs can assist you. Count on our responsive Idealsafe staff to provide expert assistance and training programs that enhance compliance with state, provincial, and federal regulations. Idealsafe Safety and Compliance training equips your employees with the knowledge they need to operate your vehicles safely, potentially leading to lower insurance costs.

OUR SAFETY AND COMPLIANCE PROGRAM INCLUDES:

WEEKLY SAFETY BULLETIN

Receive timely updates on safety and compliance regulatory changes and tips that benefit drivers and fleet managers through our weekly email Safety Bulletin.

QUARTERLY DRIVER SAFETY MEETINGS

Customized quarterly meetings provide your drivers with the training and information they need to perform their jobs safely.

SAFE DRIVER AWARD AND RECOGNITION PROGRAM

This motivational tool encourages safe vehicle operation and recognizes drivers for their contributions to safety and the bottom line.

START-UP KIT

Our comprehensive Start-up Kit includes a daily inspection book, log book, FMCSR book, reflective triangles, and more to help drivers stay safe and compliant.

ANNUAL SAFETY SEMINAR

The Idealease/National Private Truck Council (NPTC) one-day Safety Seminar covers major areas scrutinized during state and federal compliance interventions and reviews. Our step-by-step approach simplifies compliance with federal and state regulations, Hours of Service, drug and alcohol testing rules, vehicle maintenance and inspection, accident recordkeeping, and driver qualifications. This nationally recognized program is held in over 30 locations in the U.S. and Canada.

Safety & Compliance Benefits:

- Higher level of compliance with state, provincial, and federal regulations
- Well-informed and educated employees through training and regulatory updates
- Reduced pricing of safety services and materials from Idealsafe preferred providers
- Lower insurance costs

Are your safety and risk management practices effective and up-to-date?

Idealease can help you assess your current safety and risk management profile and recommend improvements to strengthen your policies and practices. We provide the guidance and tools to develop sound risk management programs and loss prevention policies for all levels of your organization.

THESE OPTIONAL PROGRAMS ARE AVAILABLE TO ALL IDEALEASE CUSTOMERS:

POLICY AND PROCEDURE STATEMENT

Idealease can assist you in preparing a Policy and Procedure Statement that clearly states your firm's intent to comply with all government regulations regarding employee rights while promoting efficiency, safety, and profitability for your company.

DOT COMPLIANCE

Prepare for a DOT audit by conducting a mock audit with our assistance.

DRIVER QUALIFICATION SERVICE

Idealsafe offers comprehensive driver candidate screening and testing tools. We assist in identifying all necessary documents for driver qualifications and outline an effective selection process, including training and drug/alcohol testing.

LOSS PREVENTION PROGRAMS

Our programs address every aspect of your operation, from management to maintenance personnel. We use a thorough analysis of loss runs provided by your insurance carrier to pinpoint and recommend methods to strengthen the areas most vulnerable to capital loss liability, including governmental agency noncompliance, worker's compensation claims, and accident liability claims.
