ENTRY INTO THE MEET

Swimmer Eligibility	All swimmers must be registered athlete members of USA Swimming and Wisconsin Swimming, and be in good standing. All individual swimmers entered in the meet shall be eligible to swim in the meet, having at least one verifiable qualifying time. Swimmers who cannot verify qualification for the meet with a proof of time will be withdrawn from the meet. Any swimmer who swims in the meet and is found ineligible will be disqualified from the meet, forfeit all awards and points achieved and their club fined \$200. The representative submitting entries shall be responsible for verifying that all swimmers satisfy these requirements.
Qualifying Times and Seeding	QUALIFYING TIMES MUST BE ACHIEVED AFTER January 1, 2025 Qualifying time standards are listed on the meet landing page as well as the Wisconsin Swimming website. Qualifying times will be accepted in Long Course Meters, Short Course Meters, or Short Course Yards. Event seeding will be in the following order: Non-conforming times will be seeded after LCM times. The order used for seeding will be LCM-SCM-SCY. Bonus entries will be seeded after qualified swims in the same order.
Para Athletes	Swimmer athletes can enter any event (up to the limit of the meet information) but they must have achieved a Wisconsin Swimming State Time Standard OR the Disability Para Motivational Championship Time Standards (P1, P2, P3). Both sets of time standards can be found on Wisconsin Swimming's website. Although swimmers with disabilities can enter any event(s) the only events that will be scored and awarded in Para categories are noted on the event page. When entering an athlete with a disability to the designated Disability events or any other events, email the Entry Chair so they can be verified and seeded properly. It is recommended to include the WSI Para Accommodation form with entries. If coaches have any questions regarding the Disability inclusion at the State Championship, please email Wisconsin Swimming's Disability Chair, Tom Miazga (tommiagza8@gmail.com) Meet Management may combine entries based on gender and/or age groups.

Age Groups	There will be two age groups designated 13-14 and Open. The Open age group is open to swimmers of all ages. <i>Swimmers under the age of 15, with OPEN Qualifying times, are able to compete in any individual event of the Open age group. Any swimmer can swim on Open relays regardless of age as long as they follow the relay entry rules.</i>								
Entry Limits	A swimmer may compete in not more than six (6) individual events total for the meet, excluding time trials events. A swimmer may compete in no more than three (3) individual events per day, including time trial events. Athletes can enter any/all qualifying events but must scratch down to 3/day (6/meet) by the daily scratch deadline as noted elsewhere in this meet information. Failure to do so will result in entries over the daily/meet limit and events will be scratched in contested order. Time Trials are under a separate sanction and therefore DO NOT fall under the six (6) events for the meet but DO fall under the total of three (3) events per day.								
Bonus Entries	Any swimmer who has entered with one qualifying time may enter three bonus events for which they do not have a qualifying time. Any swimmer entered with two qualifying times may enter two bonus events and any swimmer entered with three qualifying times may enter one bonus event. Any swimmer with four or more entered qualifying times is not eligible for bonus events. A swimmer must be qualified, by time and age restrictions, in an age group to earn a bonus swim in that age group. There are no bonus entries for swimmers that are “relay only” entrants in the meet. ENTRIES MUST INCLUDE A PDF COPY OF RESULTS INDICATING ALL BONUS EVENTS.								
Deck Entries	Deck entries for individual or relay events will not be accepted. Relay only swimmers may be deck entered no later than 30 minutes before the start of each session. The coach must give the information to the Meet Director and pay the appropriate fee(s).								
Relay Entries	Unlimited relay entries will be allowed, if a team has the required qualifiers as noted below. Swimmers may only compete in one age group per relay event. A Relays must consist of at least two (2) individual qualifiers. CONDUCT OF THE MEET

Meet Format	The meet will be a combination of prelim/final events and timed final events. Flyover starts and 10 lanes will be used in prelims. Swimmers will report to the blocks for prelims. Preliminary heats will be seeded by age group for events 400M or less. The 800M Free & 1500M Free will be combined ages, by gender, swum fast to slow, alternating gender. Positive check in is required for these events. All relay events and any individual event 400M or longer will be a TIMED FINAL event, with the top heat competing in finals. All other individual events will be prelim/final events. The top 24 of each gender for OPEN events will advance to finals in prelim/final events. The top 16 of each gender for 13-14 events will advance to the finals in prelim/final events. Designated Disability Events will be completed in a separate heat, combined by classification and gender, but separated for scoring and awards. These events will take place between the female and male sections of the corresponding event. Swimmers in the Championship Final should report to the staging area in front of the meet management office to parade to the starting blocks. These procedures will be clearly explained at the coaches’ meeting. Breaks may be inserted and removed at the discretion of Meet Management.

Scratch from Prelims	Swimmers may scratch from an event in which they are entered by submitting a scratch form online or with the Admin Referee. Information about the online scratch box will be communicated to coaches and available on the meet landing page. Swimmers may scratch from an event in which they are entered by following the procedures set forth in the meet announcement. Additionally, that swimmer shall not be seeded in any individual events on succeeding days unless that swimmer declares an intent to swim prior to the close of the scratch box for that day's events. No penalty shall apply for failure to withdraw or compete in the Prelims or Timed Finals heat of an individual or relay event if the swimmer or coach notifies the Administrative Referee or the Deck Referee prior to the swimmer's assigned heat of a Declared False Start.
