A parent of a new swimmer (that has not been a member of USA Swimming in the past) will have to complete the membership application with USA Swimming. New swimmers will receive \$100 off the first monthly payment, your USA Swimming membership fee will be paid directly to USA Swimming. Do not complete the USA Swimming membership application until September 1, 2026, your application and payment between September 1 - December 31 will be valid for all of 2027 and your swimmer will be grandfathered in for the remainder of 2026. The high school fee is not available to swimmers that are practicing with Express more than two times a week during their high school season, the full fee is then required. Note: if your swimmer attends more than two Express practices during their high school season the coupon will be removed and your account will be invoiced for the difference in fees.*

*HS Girls: Registration required by July 1. Fees listed above are based on an end of October/early November start (girls can return after their last high school championship meet: Conference, Sectionals, or State).*

*Register for your swimmer's group and **Enter coupon code HS2627** to receive the prorated pricing. The discount will be applied to the deposit and monthly recurring fees.*

**Team Suits:** Our team suit changes every two years. The suit for 2026/2027 will remain the same as last year's suit. Team suits are included in registration every other year (odd numbered years) when a new suit is announced. Your swimmer will need a team suit for competing in meets, you can purchase team suits in 2026/27 through our Simply Swimming team store. More information will be emailed to you in August and September on team suits, optional apparel and practice equipment.

**Custom Team Caps:** Will be available during the registration process as an add-on. The custom team caps have the swimmer's last name on the cap and are available in red and black. They are sold in sets of two.

**Meet Worker Shifts:** Each family is required to work four shifts at our Express hosted meets for the year. Working at our meets is a great way to meet families, get to know the coaches and learn more about our sport. Two shifts during fall and winter and two during spring and summer.

Meet worker buy-out option:

\$100 buyout for fall and winter due by September 15

\$100 buyout for spring and summer due by April 15

After you meet the requirement for each season, you will receive credit for each additional shift. These account credits will be posted to your account at the end of each season, after our last home meet.

**Fundraising:** We ask each family to participate in one team fundraiser each year. We offer a flower fundraiser in the spring and a Brewer's Game Tailgate/Game in the fall. Both are easy and fun options!

**Practice Schedules:** Schedules posted with group registration are for fall and winter. Spring and summer schedules will be communicated by January 1.
