

# Navigating Captyn

The steps below are for all offerings, EXCEPT swim meets. Swim meets can be found on your dashboard separate from offerings.

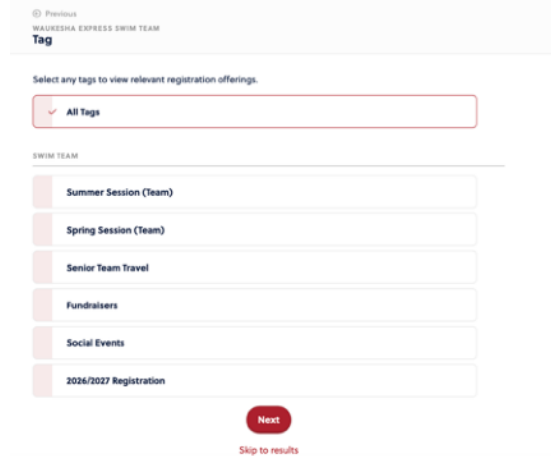

1) Start on your account dashboard (this is the first screen you will see if you are logged in). And then click on the Browse & Register button or + at the bottom of the page (both take you to the same place).

2) Then select Swim Team

3) Select the type of Offering you are looking for (Senior Team Travel, Fundraisers, Social Events or 2026/2027 Registration).

OR if you are already in the list of Offerings. I highly recommend using the filters. Select Swim Team for the Department & then use the drop down menu to view the offerings for the Swim Team.
