

A company you can trust!

This business began with one core principle...
Customer Satisfaction!

If you are looking for a team that you can trust to provide you with the very best service at a fair price, look no further! Whether it is service, supplies, or machine-sale related, we provide immediate attention to your request. We pride ourselves in keeping you happy!

We sell and service all major brands of office equipment: Copiers, Fax, Printers, Computers, Laptops, Shredders, Telephone Systems, Time Clock Systems, Check Signers, Microfilm & Banking Equipment. If it is not listed here just give us a call.

Simply put... We want to keep you happy so that you can focus on your core business.

We are here for you!

Computerized Retail Point of Sale System

Our computerized retail point of sale system offers significant advantages over conventional cash registers.

A computerized POS system enables a retail business to: eliminate shrinkage, improve inventory accuracy, increase margins, market to customers, and provides comprehensive business reporting. These features empower retailers to make smarter business decisions.

Banking Equipment & Currency Counters

We Service all Currency & Coin Counters, Check Encoders, Check Strippers & MICR Encoding Devices.

Computer Sales & Service

Networks, Servers, Laptops, & Desktops

- Non-functioning or Slow Servers
- Malfunctioning Firewalls and Routers
- Virus Removal, Repairs & Protection
- PC Troubleshooting
- PC Hardware Installation
- Laptop Repair
- New PC Setup
- Data Recovery/Restore problems
- Automated Data Backup Solutions

And much more!

Professional Phone Systems

Looking for a Phone System? We have the best! Take a look at this product from ESI and call us for an on-site demonstration!

- Modular
- Automated Attendant
- TAPI
- Automatic Call Distribution (ACD)
- Call Screening / Recording

All Major Brand Shredders

With identity theft on the rise and growing government regulations on the destruction of confidential information, you probably already understand why you need to invest in a reliable document shredder.
