

**Advancing Exceptional Care through  
Expanded Specialty Services.**

CRHC utilizes visiting specialists to add to the already diverse service line we offer from our employed providers. This means specialty care without the need to travel into the cities.

Our specialty care providers come from Omaha, Lincoln, Council Bluffs, Des Moines, and other metropolitan areas. In addition, CRHC employs two podiatrists, an oncologist, and an OB/GYN as part of the full-time medical staff to meet community needs.

specialty providers are at
