FAQ

Who is required to have a meal plan?

In order to keep you fueled for success and foster campus community, all Lycoming students living on campus are required to have a meal plan. The Standard Plan is the default option.

Can I change my plan after the semester starts?

Resident students may change their meal plan once per semester but only through the end of the second week of the semester.

What if I run out of Flex Dollars?

Additional Flex Dollars can be purchased and loaded to a student's account throughout the semester for easy and convenient campus dining purchases.

I have special dietary needs or restrictions.

Is there anything for me to eat?

Yes! We understand the diverse needs of the Lycoming campus community and offer a variety of diet conscious alternatives, such as vegetarian, vegan, gluten-free, lactose-free, and more at each location. Additionally, all of our menu items are labeled with the top 9 allergens and our team has undergone rigorous training to be able to safely serve and support unique dietary needs. We encourage students to connect with our management team for personalized support and guidance!

Can I take a meal from Wertz Dining Hall to go?

Yes! If you'd rather enjoy your meal outside of the dining hall, you can use the provided container options to take your meal wherever you like!

Do students have input in the menu selections and events offered?

You bet! We have an easy-to-access QR code virtual comment card for students to share feedback and ideas. Our team reads each one and will respond back to those with contact information.
