# FOREWORD

Welcome to CentreStage's 20th anniversary year!

Whether you're joining us for the very first time or have been part of our journey over the past two decades, we're delighted to welcome you into our community. From choirs, musical theatre and dance to drama, creative workshops and volunteering, we hope you'll find something that sparks your interest. There's no need to audition or have previous experience - just bring your enthusiasm. And if you're unsure what suits you best, we offer a free trial of any class, and our team will be happy to help you find the best activity for you.

Throughout the year, our classes often culminate in performances held in our fully accessible 270-seat theatre and across our wider venue. These events represent more than just time on stage - they reflect the friendships formed, the sense of community built, and the collective achievements of everyone involved, both onstage and behind the scenes.

CentreStage is rooted in hope, inclusion, aspiration, and joy. With your support, we're building a stronger, more connected community, where everyone belongs.

Thank you for being part of it. We can't wait to see what we'll create together.

# YOUR SUPPORT CREATES SMILES

At CentreStage, we believe that everyone - regardless of background or financial circumstance - should have the chance to participate.

Many of our activities are free to attend, made possible by the generosity of our funders and supporters. All donations received when taking part in these go directly towards expanding access and raising more smiles!

We're also proud to offer a fully funded scholarship programme - details are available on our website or at the welcome desk.

# SHARE A SMILE

At CentreStage, we believe in the power of a smile. It's the simplest way to connect and spread the joy that brings our community together.

Whether it's during your favourite activity, after watching a performance, or having a laugh in the Café Bar, we want to see your smiles!

Share the stories behind your smiles on social media using #shareasmile and tagging CentreStage for a chance to be featured on our page.

Help us spread the joy and #shareasmile now!
