

SIBLING PREFERENCE APPLICATION INFORMATION

FOR THE 2024-25 SCHOOL YEAR

The NOLA-PS Common Application Process (NCAP, formerly OneApp) application window for the 2024-2025 school year will open on November 28, 2023. Sibling preference is available to siblings of currently enrolled ISL students whose application is submitted by the deadline, who apply to the campus at which the current sibling is enrolled (Uptown siblings applying for K-2 can choose to apply to Dixon and/or the Westbank Campus), and who submit the required information by the application deadline, January 19, 2024.

Sibling preference will be granted **only** if the current ISL student **attends** ISL for the 2024-2025 school year. Please read this entire letter carefully for complete instructions, including a list of required information needed, that must be submitted to Ms. Luz Miranda, Admissions Representative, via email to lmiranda@isl-edu.org.

1. Families apply online at www.EnrollNOLAps.com. The application deadline is January 19, 2024.

- Please make sure to link the current ISL student to the sibling so that the child receives sibling preference. If you have questions about how to link siblings, please contact NOLA PS at 504 547-6652.
- Prospective candidates must rank ISL as their first choice to receive Sibling Preference.
- Prospective students in Grades 2-8 will be eligible for enrollment only if they are appropriately experienced in their language of study and successfully pass a language assessment in their target language (French or Spanish).
- Children must be five years of age by September 30, 2024 in order to enter Kindergarten for the 2024-25 school year.
