RESTORATION

Serving Facilities That Serve Communities

## Who are we

**A trusted partner in Restoration and Roofing**

Reviv Restoration is a full-service restoration and roofing company serving commercial and residential property owners and managers across Texas and beyond.

We help clients recover quickly from storm damage, protect their assets, and maintain long-term property performance without confusion, delays, or unnecessary risk.

# What We Do

End-to-end restoration and roofing service

**We manage every phase of the process**

- Inspection & damage assessment
- Roofing system installation & repair
- Storm damage restoration
- Preventive maintenance programs
- Insurance claim support & documentation
- Water mitigation and mold remediation

# Problems We Solve

When your property is at risk, we respond fast

**We help property owners and managers resolve:**

- Storm and hail damage
- Roof leaks and water intrusion
- Wind and structural damage
- Aging or failing roofing systems
- Emergency roof failures
- Insurance claim complexity and delays

# Roofing Services

Built to perform across every system

## Low Slope Roofing

- TPO
- SBS
- PVC
- EPDM

## Steep Slope Roofing

- Shingles
- Tile
- Metal Systems

Commercial | Institutional | Multi-Property Portfolios

# Maintenance Programs

Protect your roof before problems start

**Our maintenance services include:**

- Leak detection and repair
- Preventative inspections
- Water and thermal testing
- Roof restorations
- Penetration and flashing repair

**We help property managers reduce risk, control costs, and avoid unexpected failures.**

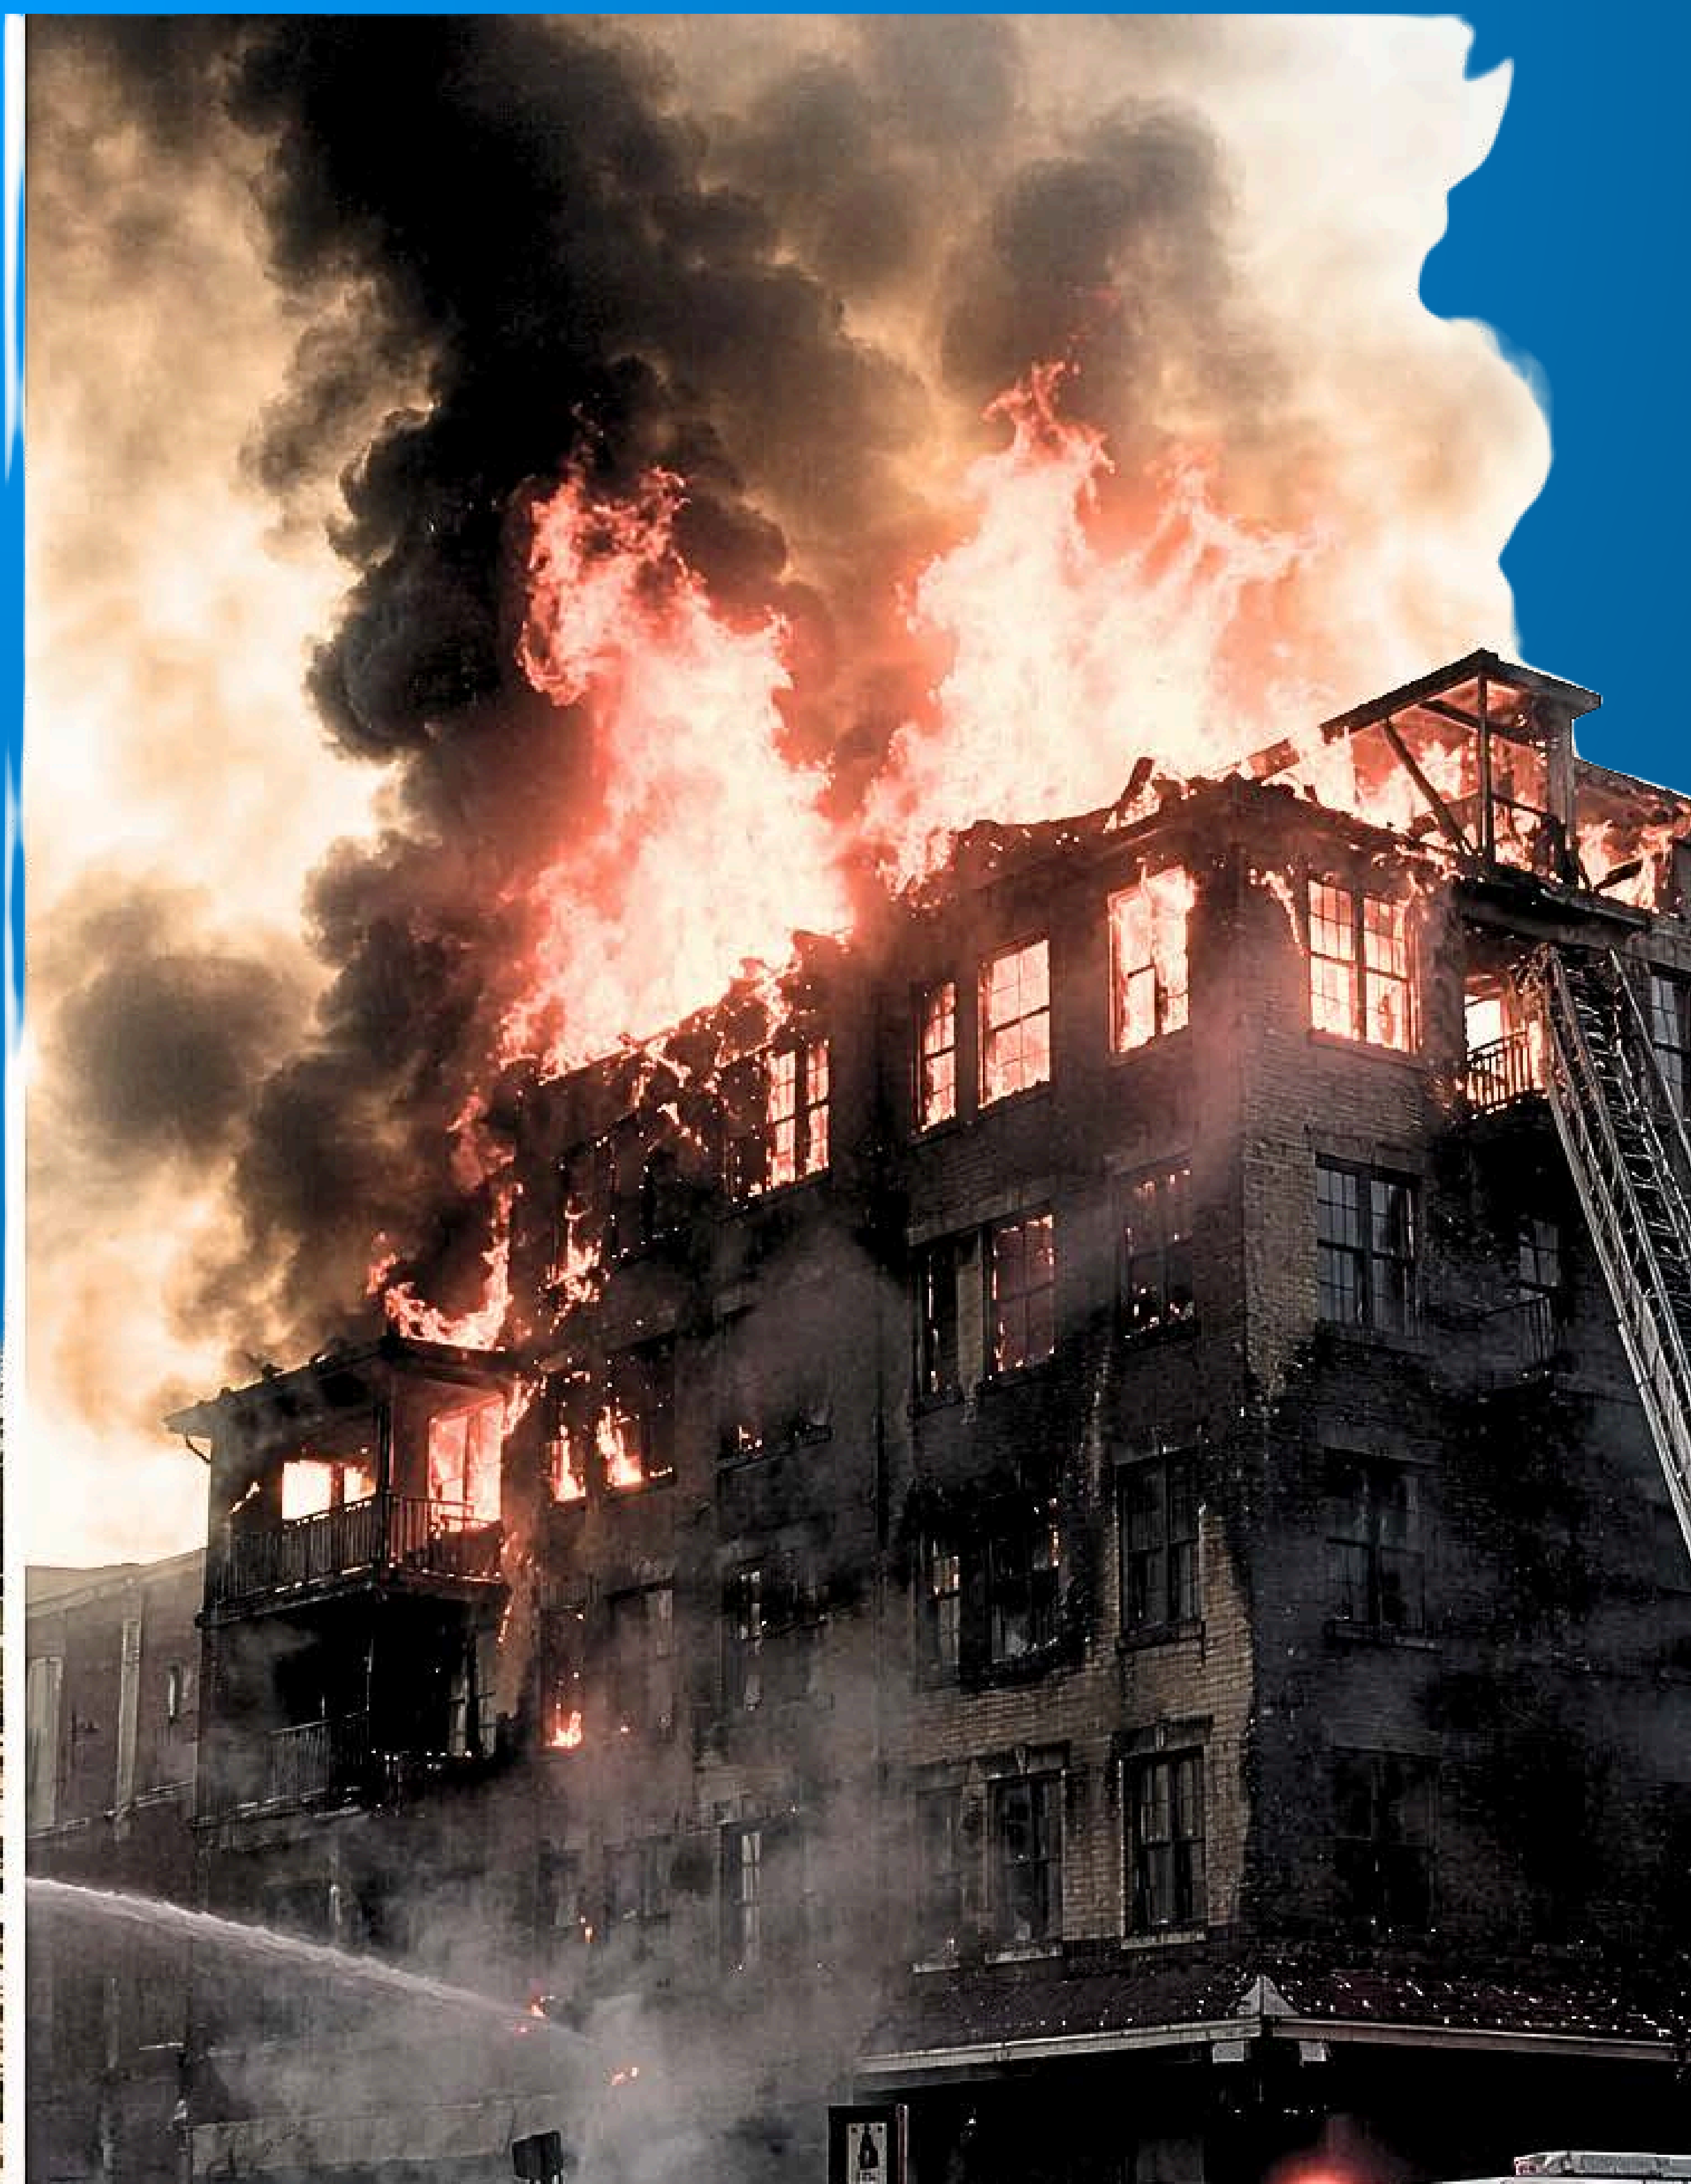

# Emergency Response & Recovery

When disaster hits, timing is critical.

## We provide:

- Rapid deployment and site stabilization
- Immediate damage assessment
- Temporary protection and sealing
- Full repair and reconstruction
- End-to-end project management

# Projects

## Why Choose Us

### Proven Strength

Partnered with a Top 30 U.S. roofing contractor (#17), GAF Master Elite® and Duro-Last Chairman's Award recognized.

### Trusted & Qualified

Veteran-owned and a USFCR Verified Vendor, equipped to serve commercial, municipal, and large-scale facilities.

### Full-Service Expertise

Roofing, construction, and restoration—handled start to finish with precision.

### Insurance Claim Experts

We work alongside public adjusters and specialists to ensure nothing is overlooked, and your claim is fully covered.

Rapid response, strong communication, and a process built for long-term partnerships.
