Dear Exhibitors,

Welcome to the 2021 INTERACTIVE MORTGAGE Temecula Valley National Horse Shows! If you've joined us before, we are proud to have you back. If this is your first time with us, we are so happy to have you! We are excited to be back at the beautiful Galway Downs for our annual circuit, which will now feature five weeks of exciting sport! Each year we strive to improve further, working hard to reach our goal: to produce world-class events that will help solidify California as a top competitive equestrian destination. With your help, we think we are inching closer every year!

Home to Temecula Valley National Horse Shows, Galway Downs is a premier multipurpose equestrian facility spanning over 240 acres, and we have loved hosting you all here each year. More than just a perfect backdrop for photos, the facility provides so much for us and we are happy to report that we have made a few more enhancements for this year, including a new Grand Hunter Arena and new VIP pavilion!

This year, we have added a second WCHR week and have expanded our International Derby program to hold two International Derby's. We are especially excited to be offering a number of new classes to our horse show series in addition to everyone's favorites. For the first time, we will have a \$20,000 Equitation class that will draw top equitation talent to the series and showcase the sport's up-and-coming riders, as well as some of our top professionals. Plus, we will also be adding a \$22,500 Final for the 1.35m Speed Derby during the last week of the series, which riders will have to qualify for throughout the circuit. During our final week of our series, we are so honored to host the final Young Rider Trial! Last but not least, we have included the fan-favorite Hunter/Jumper Team Challenge!

Pending the development of the COVID-19 pandemic, we will potentially be bringing back some socially distant fun and entertainment. We have formed a relationship with renowned event venue and talent booking agency Belly Up Entertainment. Based out of Solana Beach, California, Belly Up Entertainment has worked with many top musicians such as The Killers, The Red Hot Chili Peppers, Willie Nelson, The Rolling Stones and more. In addition to hosting their own events, Belly Up Entertainment has also served as a talent sourcing and booking agent for countless concerts, festivals, and private events all over the country including the Del Mar Racetrack, the San Diego Fair, and the Dew Tour to name a few. Fingers crossed for some fun times ahead!

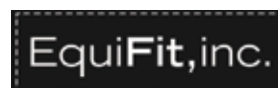

We are looking forward to welcoming you all to Temecula for another year of equestrian competition, fun and activities. Thank you for supporting the 2021 Temecula Valley National Horse Show series, and good luck to all competitors!

NO CLASS FEES

for competitors riding young horses and
off-the-track Thoroughbreds (OTTBs)
at TVN Premier II, TVN Week I, and TVN Week III.
Young Hunter Class Fees waved for all weeks.

“For years there was a Thoroughbred on the podium

in just about every Olympic Games, and I know they are still out there and they can be had for nothing. My goal is to provide a show atmosphere for the kids who are not from a financial background where they can buy whatever horse they want,” said Ali Nilforushan, co-owner of Nilforushan Equisport Events. “I hope that we can cultivate this new way of thinking of going to get a Thoroughbred, training it and bringing it through the ranks. This gives the horses a second career and gives our kids who can’t keep up with some of the rest a chance to show and compete.”

Thoroughbreds must be tattooed and USEF age verification is required for young horses. Exhibitors are fully responsible for all additional charges, such as office, stall, feed and bedding, and USEF fees.

NOTE: Complimentary classes are limited to five (5) classes per horse.

Riders who jump 1.20m will have 4 seconds added to their time, riders who jump 1.30m will have 2 seconds added to their time, and riders who jump 1.40m or higher will have 0 seconds added to their time. To be judged under a faults converted format. Faults incurred when jumping an obstacle are penalized by adding four seconds for each occurrence. First refusal will only be penalized by the additional time taken. A second refusal constitutes elimination.			
\$2,500 1.20 Gambler's Choice – Open	571	\$150	\$2,500
Riders will construct their own course, jumping any obstacle in any direction, up to two times, and earning a given point value for each fence so long as the rails remain up. At the end of their timed round, riders are given the opportunity to jump the "All or Nothing" fence, which doubles their points if they successfully jump it, or leaves them with zero if the rail falls, or the "Joker" fence, which is slightly smaller, has less risk, and less reward.			
RULES/SPECIFICATIONS: In this competition, obstacles at 1.10m or 1.20m in height are set up in the arena, each obstacle carries from 10 to 50 points in value. The competitor is credited with the number of points carried by each obstacle that he/she has jumped correctly. No points are awarded for an obstacle knocked down. Each competitor has 60 seconds. During this time, the rider may jump all the obstacles in any order and in any direction two times (if an obstacle is jumped more than twice, the points will not be recorded for the additional times). Riders may cross the starting line in either direction. Ringing the bell declares the end of the round. The competitor must then cross the finish line in one direction or the other to allow his/her time to be recorded. After crossing the finish line, the rider has 20 seconds to jump either the "Joker" jump or the "All or Nothing" jump. Only one attempt is allowed. If the rider does not cross the finish line, he is placed last of the competitors with the same number of points. If the 60 seconds time is reached at the moment when the horse is already taking off (front hooves off the ground), this obstacle counts if it is correctly jumped. Any obstacle knocked down during a round will not be rebuilt; if it is jumped again, no points will be credited to the competitor. The same applies for knocking down an obstacle in disobedience or for displacing a lower part positioned in the same vertical plane. In the case of a disobedience without a knock-down, the competitor may jump that obstacle or continue to the next obstacle. All disobediences are penalized by the time lost by the competitor. The competitor must stop after a fall. Nevertheless he is placed according to the points obtained up to the moment of his fall disregarding the time. The competitor who has obtained the highest number of points will be declared the winner. In the event of equality of points, the fastest time taken between the starting line and the finishing line will decide. In the event of equality of points and time for first place, there will be a jump-off according to the same formula with a fixed time of 40 seconds.

It must be properly fitted with harness secured. It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition, and the Federation, Show Committee and Licensed Official are not responsible for checking headgear worn for such compliance.
