### **SWEAT EQUITY FORM**

#### REQUIRED ATTACHMENT TO YOUR APPLICATION

<u>Sweat Equity/ Partnership Question</u>: Our sweat equity requirement is rigorous! Habitat Family Partners as well as each adult that will live in the home are required to work 20 hours per month of sweat equity on building the home (except for full-time college students) until the day of completion of construction of property (up to 250 hours per adult). You will not be allowed to move into the home until the hours have been completed. This requires approximately 5 hours a week for each eligible adult on a Habitat construction site (8 a.m. - 4 p.m. on a Saturday or another day during the week to be determined) during the months that the home is being built. Some weeks there will also be a required meeting or home ownership preparation workshop to attend. You may need to devote even more time in some weeks so that all hours are complete prior to closing. You do not need to be experienced in construction. We train and guide you in your sweat equity as you work side-by-side with other volunteers.
