South Shore Habitat celebrated its 40th anniversary on January 6, 2026 and throughout the year will be recognizing our history, with words from those who have made the organization what it is today.

March 2026 - Family Partner (Anonymous):

Families who purchase Habitat homes (known within our organization as Family Partners) are critical partners in our housing program. We reached out to one of our past Family Partners to see how South Shore Habitat has impacted their lives.

"Life with our Habitat home has been great. We were able to foster for almost 14 years and added 3 children to our family. [Our children] are married and have children... We are so thankful to Habitat for giving up an opportunity to own a house and help other children while allowing [one of us] to continue as a stay at home mom. We would love to stay in contact. Thank you."
