

## Women Build Recap and Thank You

Thank you to all of those who joined us for **Women Build** throughout the entire month of March!

Thanks to you, our Women Build was a huge success. Dozens of women came together to build, learn, and connect—and their efforts will help a local family achieve their dream of homeownership.

A special thank you to Bald Hill Builders, Norfolk Companies, the Professional Ladies Association, Bluestone Bank, Walsh Construction, and Johnson Brunetti for supporting and volunteering this month

- ♥ Over forty volunteers, the majority of which were women.
- 🔨 Over 300 hours of building
- 💰 Over \$10,000.00 raised to fund affordable housing

## Celebrating 40 Years | From Our Supporters

*South Shore Habitat celebrated its 40th anniversary on January 6, 2026 and throughout the year will be recognizing our history, with words from those who have contributed to the organization.*

Michael Falotico is volunteer, supporter, and Member of the Board of South Shore Habitat for Humanity. He is part of the team at Moor Realty Group, who host the Give Moor Charity for the last three years which benefits South Shore Habitat for Humanity. This years tournament is coming up on May 11th, 2026. You can find tickets and ways to support [here](#)

We asked **Michael Falotico, Moor Realty Group**, about his favorite memory at South Shore Habitat. His answer: "My favorite memory is when I was in Easton interviewing the family partner. She is a mom with three young girls. When the daughters were asked why they were excited about their new home, on of them replied 'We can finally decorate our own house from Christmas inside and out.' The glow in their eyes and joy that exuded cut right to my inside as a father and as a human. What we do will forever change a family's lives. "

## Corporate & Community Partnerships

A warm thank you to **SPS Solutions** for their generous support and work at our Plymouth St build in Abington. Their donation and installation of siding looks terrific and our family partner is beyond excited to see their forever home come together. We appreciate and rely on the generosity of our community partners like SPS.

South Shore Habitat is proud to partner with **Granite City Electric** for donations of electrical supplies for our Plymouth St build in Abington. Such partners are critical to our work, building not just homes but community. Thank you to Jeff Hammond and the Granite City Electric Partnership Program for donating to South Shore Habitat, as well as four other Massachusetts affiliates of Habitat for Humanity.
