Advocacy - CHAPA's Annual Regional Meeting Series

We hope you'll join us at CHAPA's Annual Regional Meeting series! CHAPA is a statewide housing advocacy organization, and this year SS Habitat is serving as a co-sponsor to ensure that there is representation from all across our region.

Each year, CHAPA convenes stakeholders from across the housing ecosystem to learn directly from those doing the work on the ground. This is an opportunity to share your experiences about what is working, what can improve, and what CHAPA should prioritize in the coming year.

This years meeting will be held virtually on **Thursday, October 29th, 2026 from 1pm-2:30pm**. These sessions are free and open to all. You can learn more and ***register below***. If you have any questions, please reach out to Lily Linke, CHAPA's Director of Municipal Engagement at llinke@chapa.org
