

## Celebrate togetherness this **Thanksgiving.**

### Happy Thanksgiving!

In this season of giving thanks, millions of families will gather in their homes to share a meal and create long lasting memories. That's what a home does; it provides a stable place for families to be together and grow. Here at South Shore Habitat, we are thankful for the opportunity to help more families have a safe, secure place they can call home. We appreciate how a home can help a family build a better life for themselves.

**This Thanksgiving, we give thanks to all those in our community who help us to continue doing this important work.** Your gifts, your voice, and your time make strength, stability and self-reliance a reality for more families every day.

**From all of us at South Shore Habitat, we wish you a joyous Thanksgiving!**

### Congratulations to our Volunteer Award Recipients!

This week, we were honored to have recognized some of our biggest supporters at our 2025 Annual Meeting. These individuals were instrumental to making homeownership a reality for families in our community and we thank them for giving their time this year.

Join us in congratulating **Paul Beaulieu, Moor Realty Group, Steven Doherty,**

**Philip Baimas, and Lisa Rosen** for their commitment to service and volunteerism!
