Partner with South Shore Habitat in 2026

Our corporate and group partnerships are such a large part of how we are able to continue making affordable homeownership a reality for so many families. It truly is a community effort and we have been fortunate to work with wonderful local businesses, corporations, faith groups, and community organizations this past year.

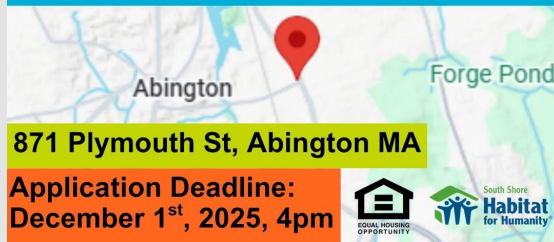

As you begin discussing your community giving plans for the upcoming year, consider making an impact locally by partnering with SSHFH in 2026. Whether you're looking to sponsor a Group Build Day for your team, contribute a Gift-In-Kind, or make a corporate donation, we are grateful for your support. If you would like more information on our partnership options, please reach out to our Community Engagement Coordinator.
