

Critical Home Repair

South Shore Habitat installed a ramp for Louise in May utilizing Critical Home Repair grant funding. At 92 years old, now Louise can get safely out of her home and more easily live her life. Thank you to ramp installers, Accessible Living. Louise says, "Having a ramp is a tremendous relief!"

South Shore Habitat's Critical Home Repair (CHR) program provides repairs and modifications for low to moderate income seniors & veterans, giving them the opportunity to remain safely and securely in their homes while creating an environment where they can maintain a healthy lifestyle and live independently. In 2025, South Shore Habitat has completed nearly 40 repairs for homeowners in our service region.

Not Just Cars

Did you know? Habitat for Humanity received 1,986 donated vehicles in May alone.

When you donate your vehicle, a portion of your donation comes back to your local South Shore Habitat affiliate. Thank you!

We accept almost all vehicles, including cars, trucks, motorcycles, recreational vehicles, boats, snowmobiles, farm equipment and construction equipment.

Forbes Magazine named the Habitat vehicle donation program in the Top 5 in the nation!

Volunteers Needed

We need your help - we are in the last days of our build for the two homes in Cohasset, and we really need your help to finish.

If you're 18+, please consider volunteering on the build site. Jobs include building, painting, cleaning and more. Build for one day; sign up for several - all are welcome and we appreciate it.

No experience necessary; your volunteerism changes lives, including your own!
