

Thank You for Another Successful Fiscal Year!

As fiscal year 24/25 has come to an end, we would like to acknowledge the incredible accomplishments of our team and all of our sponsors, donors, and volunteers that have made it all possible!

This year we've completed the **sale of our latest home** in Cohasset, welcomed **two new partner families**, served over 40 seniors and veterans in our **critical home repair** program, and purchased our first **renovation property** in over 30 years.

We could not have done this without your support and generosity. Thank you! Here's to serving more families this upcoming year!

A Critical Repair for Alicia

At 87 years old, Alicia had been using a bush to steady herself while going up and down the steps at her home's primary entrance. Through our Critical Repair Program, we were able to build Alicia a beautiful new railing to keep her safe and happy in her beloved home.

Our Critical Home Repair program aims to help seniors and veterans in our community, like Alicia, stay secure and healthy in their homes.
