

Celebrating 40 Years

Critical Home Repair

As we continue to honor the 40th Anniversary of South Shore Habit, we would like to recognize one of our newer programs and its successes. South Shore Habitat's Critical Home Repair (CHR) program provides repairs and modifications for low to moderate income seniors & veterans, giving them the opportunity to remain safely and securely in their homes while creating an environment where they can maintain a healthy lifestyle and live independently.

In 2026, South Shore Habitat has scheduled and completed over 40 repairs for homeowners in our service region. Over the last three years, CHR has been able to serve over 100 residents in their homes. Learn more about the program and read the article for this month below.

Volunteers Needed

We need your help - we are in the final weeks of our build in Abington, and we really need your help to finish.

If you're 18+, please consider volunteering on the build site. Jobs include building, painting, cleaning and more. Build for one day; sign up for several - all are welcome and we appreciate it.

No experience necessary; your volunteerism changes lives, including your own!

Golfing FORE Habitat

Register your team today, before it's too late! Join us Monday **October 5th, 2026** at **Marshfield Country Club** to bond with colleagues, families, and friends while helping support South Shore Habitat for Humanity's mission.

Your participation in this event will provide funding to help South Shore Habitat serve more families!

Not Just Cars

Did you know? Habitat for Humanity received 1,986 donated vehicles in May alone.

When you donate your vehicle, a portion of your donation comes back to your local South Shore Habitat affiliate. Thank you!

We accept almost all vehicles, including cars, trucks, motorcycles, recreational vehicles, boats, snowmobiles, farm equipment and construction equipment.

Forbes Magazine named the Habitat vehicle donation program in the Top 5 in the nation!
