

Thank You for Another Successful Fiscal Year!

As fiscal year 25/26 has come to an end, we would like to acknowledge the incredible accomplishments of our team and all of our sponsors, donors, and volunteers that have made it all possible!

This year we've completed the **sale of our latest home** in Easton, welcomed **two new partner families**, served over 40 seniors and veterans in our **critical home repair** program, and are nearing completion of our first **renovation property** in over 30 years.

We could not have done this without your support and generosity. Thank you! Here's to serving more families this upcoming year!

Coming to Marshfield this Fall!

South Shore Habitat for Humanity is proud to announce the newest acquisition of 1929 Main Street in Marshfield. This parcel will be transformed in the next year from an abandoned structure to a new, affordable family home. The Town of Marshfield also supported this project through approval of a \$250,000 grant from the Community Preservation Act fund.

We offer a warm thank you to the partners that helped to support the transfer of this property from the Town of Marshfield to South Shore Habitat, including the Affordable Housing Trust, the Community Preservation Committee, the Board of Selectmen, Karen Horne (Housing Coordinator), and all residents of the Town of Marshfield.

Together we build homes and community. Please stay tuned for updates on this project, including volunteer build opportunities!
