

Welcome New Board President, Terry Green!

South Shore Habitat for Humanity welcomes a new Board President, Terry Green, for fiscal year 2026. Terry Green has been a board member for about 3 years, having previously held the position of Secretary. He also participates on the Construction and Site Acquisition Committees and is a dedicated construction site volunteer. Terry is retired from Fidelity Investments after a career in business integration and operations; he now owns a home restoration and remodeling company. Welcome Terry!

In other Executive Committee roles, we welcome Glenn Tattrie as our new Treasurer and Beth Lyons as our new Secretary. Thank you to Dick Halverson as well, as he continues on as our board Vice President.

We express our deep gratitude to outgoing board president, Bob O'Neill, for his incredible contributions to the organization. Thank you as well to Antonette Davis, our outgoing Treasurer and to Tracy Harvard, who is leaving the board. We are fortunate to have such incredible supporters at South Shore Habitat.
