Celebrating 40 Years

Schernecker Property Services

As we continue to honor the 40th Anniversary of South Shore Habit, we would like to recognize one of our corporate partner organizations

Schernecker Property Services (SPS) has partnered with South Shore Habitat on our Abington project. Their in-kind donations of materials throughout the project were critical to helping bring this project closer to its completion. They also volunteered on a build day to build the decks.

Partners like SPS are critical to the mission of South Shore Habitat. Read more about their journey below.
