Golfing FORE Habitat

Registration is open! Golfing FORE Habitat is a wonderful way to bond with colleagues, families, and friends while helping South Shore Habitat for Humanity to build strength, stability, and self reliance through shelter. Marshfield Country Club is an 18 Hole Par 70 private facility which offers golf the way it's meant to be played.

Let us offer you a full day of fun and activity to benefit South Shore Habitat for Humanity's mission of building strength, stability, and self-reliance through shelter. Your participation in this event will provide funding to help South Shore Habitat build more homes in partnership with hard working families in need of affordable housing and provide critical home repairs for seniors and veterans, so they can remain in their home with safety and dignity.
