Want to Support Habitat, but construction isn't your thing?

There are plenty of ways to get involved at SS Habitat and make a difference without picking up a hammer!

Consider joining one of our committees - Construction, Site Acquisition, Finance, or Development/Fundraising.

We are always in need of people to donate lunches/snacks for volunteer groups, help out at fundraising events, and more. If you want to help, we would love to have you!

Reach out to our Community Engagement Coordinator, Natalie Campanella, at

ncampanella@sshahabitat.org if you're interested.
