We're Hiring!

We are currently hiring for the following opportunities. To apply, please review the full job description and advertisement below.

Property Development Manager

Construction Site Supervisor

Our Current Build Projects

808 & 810 Jerusalem Road, Cohasset

South Shore Habitat is pleased to partner with the town of Cohasset to build an affordable duplex-style home on the corner of Jerusalem Rd. and Hull St. The community has truly come together to welcome our future homeowners.. Visit our Volunteer Registration link below to view opportunities for you to help.

26 Poquanticut Avenue, Easton

In partnership with the town of Easton and the Town of Easton's Affordable Housing Trust, South Shore Habitat has demolished the house located at 26 Poquanticut Avenue and has poured the foundation for a safe and affordable colonial style single-family home. The home will have three bedrooms, two baths, and a walk out basement. Visit our Volunteer Registration link below to view opportunities for you to help.

Individual Build Days

It is through the generous donation of your time and talent that we are able to build safe, decent, and affordable homes for hard-working, qualified families throughout southeastern Massachusetts. Experience is not required. Our construction team is ready to teach you all you need to know. Click on the links below to see what individual build dates we have coming up and register.
