

Celebrating 40 Years

September 2026 - Dottie Fulginiti, Chair, Town of Easton Select Board

"South Shore Habitat for Humanity's partnership with the Town of Easton and the Easton Affordable Housing Trust began in 2010, when the Town sold a lot on Highland Street to Habitat for \$1. I attended the home's dedication with my then 13-year-old daughter in 2013, one of my first official events as a newly elected Select Board member.

Since then, Habitat has completed homes on Electric Avenue and Poquanticut Avenue, with each project bringing together volunteers, neighbors, and community partners....There is nothing quite like witnessing Habitat hand the keys to a family as neighbors gather to welcome them into our community.

We are proud of this enduring partnership and excited to continue it as work begins on the next Easton home on Morse Road. Congratulations to South Shore Habitat for Humanity on 40 years of service and partnership throughout the region."
