There are many volunteer opportunities beyond construction!

- Join our Framing the Future event committee
- Learn about our Construction, Site Acquisition and Fundraising Committees
- Assist with general office work
- Become a mentor to our family partners

Mission Trip to Hawaii

A group of nine long-time South Shore Habitat volunteers and supporters traveled to Kauai, Hawaii to work with the local Habitat. From Oct 30 to Nov 5th. The group painted and worked in the ReStore unboxing skids of goods ranging from clothes to toys to diapers to household appliances. Each skid held 30 to 36 large boxes of goods. Part of the time there a subset of the group folded, stuffed and stamped the Kauai Habitat's newsletter.

It was not all work. The group also enjoyed a Luau, boat excursion along the Na Pali Coast, and celebrated with the Habitat Kauai staff and family partners at a Mahalo ceremony on the beach.

Some members of the arrived early to enjoy some vacation time while a few others travelled to Maui to check out the progress on the fire recovery in Lahaina and to see if we could volunteer there next year. More information to come.

Deck the Halls with Gum Drops

Join Us for the 4th Annual
Gingerbread Build

Host your own Gingerbread Build Event.
Recruit 10 teams to raise \$1000 to help South
Shore Habitat build homes for local families in need.

We supply the gingerbread houses and instructions for a
successful event. You recruit teams and have fun!

For more information and to sign up as a Gingerbread Build Host,
contact Michael Ryan at mryan@sshhabitat.org or 781-347-3762.

Giving Tuesday is a global day of giving that takes place on the Tuesday after Thanksgiving. It's a day to raise awareness and to encourage people to donate their time and money to charitable causes. At South Shore Habitat for Humanity, we celebrate giving Toolsday!

It takes a lot of tools and construction supplies to build a house, and your donation helps us to make safe, affordable homes. Giving Toolsday is coming up on December 3rd, consider donating today if you're able to!

Here's a message from our Construction Project Manager, Sheri Green, with more details:

On November 4th 100 golfers braved the cool fall weather and participated in South Shore Habitat's Annual Golf Tournament. Thank you to all who attended and helped raise more than \$66,000 to support affordable housing in southeastern Massachusetts.

Did you know that a used car
can help build a new home?

South Shore Habitat Welcomes Two New Board Members

Kimberly Bielan

Frank Kelly

South Shore Habitat is pleased to announce Kimberly Bielan and Frank Kelly have been elected to the Board of Directors.

Kimberly Bielan is a Principal of Moriarty Bielan & Malloy LLC. Her practice focuses primarily on real estate litigation, with an emphasis on zoning and land use matters. Her experience will provide much guidance as South Shore Habitat works to build our property pipeline.

Frank Kelly is a Project Executive at JM Electrical, where he leads various initiatives. With a strong background in project management, Frank's experience will provide support to our staff as we expand our homebuilding program.

We are excited to welcome them and look forward to their leadership.

Board of Directors/Staff

South Shore Habitat Board of Directors
