

DAD Matters 24/7

How to be a positive influence in the life of your child.

Every child has a place inside that only a dad can fill. Active dads are providers and role models. When dads have a positive influence, families thrive. Dad Matters is an ongoing group based on the 24/7 Dad curricula of the National Fatherhood Initiative. Be an all day, every day dad. Be a dad who matters. A certificate is awarded after 10 weeks of participation.

- Understand why children think and behave the way they do
- Discuss ideas and concerns about parenting with other dads
- Form parenting agreements with your child's mother
