

Catholic Social Teaching Speaker Series Begins Sunday, March 1st 2:00 p.m. In the Church

After responses from our meetings last Fall, and guided by our parish's commitment to faith in action, the Social Justice Ministry is committed to education, accompaniment and reflection and action.

This Lent, in keeping with our commitment to education, we will deepen our understanding of Catholic Social Teaching through a speaker series focused on the preferential option for the poor and the call to welcome the stranger. These gatherings will invite reflection on how we live these teachings in daily life. The series will run monthly, Sundays at 2:00 p.m. in the church beginning **March 1st**. Below is the schedule:
