Good Morning!

I'm Shari Roeseler and I currently serve as a lector at the 5:15 and 7:30am Masses. More recently I have been working with Fr. Tom on developing programming to deepen our Ignatian Spirituality. This includes an upcoming Advent series, presentations for OCIA, and in 2027 a Lenten series and offering the Spiritual Exercises of St. Ignatius.

For me, St. Ignatius parish provides a faith-filled environment for me to deepen my relationship with God along with opportunities to offer my gifts in service to God and this community through the many ministries of our parish. My experience as a parishioner is that Love, Caring and Commitment are interwoven in the fabric of this church.

In the Spiritual Exercises we are reminded that all we have is Gift from God. One way I can thank God is to share my gifts of time, talent and treasure with this church. Helen Keller said, "Alone we can do so little, together we can do so much." I know that my financial commitment to St. Ignatius can do so much more than I could do on my own. It is the combined generosity of this congregation that enables St. Ignatius to have such a breadth of ministries and programming.

In these days that are fraught with so much uncertainty, our community here at St. Ignatius, stands as a beacon of hope. When each of us contributes to the work and ministries of this parish, we magnify God's love through the meals we serve, the assistance given to a family, the Eucharist brought to a home-bound parishioner and the care and comfort we offer to one another.

I invite you to join me in supporting St. Ignatius – together we can do so much for the Greater Glory of God.

Thank you!
