ROSSMOOR GOLF COURSE, WALNUT CREEK

Join us on **Monday, May 11, 2026** for a great day out on the greens at Rossmoor Golf Course in Walnut Creek and **support the education of 5,100 students** at eight public schools.

FORE! Education **raises critical funds for music classes** as well as school libraries and wellness centers at eight schools. These programs do not exist without your support due to state funding shortfalls. The day of golf is packed with activities and fun from the moment you arrive. **Bonus:** Rossmoor's beautiful and challenging course is not open to the public.

ABOUT WCEF TK-12

The Walnut Creek Education Foundation steps in where state funding does not exist. California ranks 28th in the nation for public school funding, leaving essential programs underfunded or not funded at all. It is up to us to fill the gap. Since 1983, WCEF has been fundraising to preserve and enhance education by investing equitably among the eight Walnut Creek public schools.

SPONSOR IMPACT

Support from WCEF business partners fund this school year's academic and elective programs in the arts, sciences, wellness, libraries, and more. You play a vital role in helping our schools maintain top rankings.

Today, 24.8% of Walnut Creek School District (WCSD) students qualify as Title 1—offering meaningful ways for businesses to give back.*

**Title 1 defined as students who qualify for free or reduced lunch*
