Contribution to WCEF Reserves/Endowment

Your contribution to the Walnut Creek Education Foundation (WCEF) provides vital funding that enables our schools to deliver a comprehensive education for all students. Grants from WCEF funded critical programs and salaries in the 2023-24 academic year.

Looking ahead to the 2024-2025 school year

WCEF has committed to raising **$1.6 million** for 2024-25. Thanks to your generosity, donations will support the following:

Elementary (TK-5)

- Full year of specialist-led classes in Art and Science as well as credentialed Music teachers
- 20+ specialist and teacher salaries at 6 schools
- A credentialed librarian

Intermediate WCI & Tice Creek (6-8)

- 12 Elective classes: i.e., Art, Music, Choir, Drama, Spanish, Computer Science, Robotics, Culinary Arts, Cartooning, & Creative Expression
- New elective options: Music Production, 3D Visual Art Design, Digital Art, STEM Lab, & Culinary Arts 2
- A credentialed librarian

Las Lomas High School (9-12)

- A 7-period day with 16 additional classes, allowing for scheduling flexibility, student choice & smaller class sizes
- Support for Wellness Center
- Contribution toward culture/climate and inclusion support

Due to insufficient state funding, our districts call for grant increases from WCEF. In order for the Walnut Creek School District and Las Lomas High School to maintain programs and classes, WCEF must continue to fill the widening funding gap.

Every year when you donate to WCEF, you are transforming lives and empowering our students to become tomorrow's leaders.
