## WELCOME TO THE NORTH HAVERHILL FAIR!

We are happy to have you camping with us at the 2026 Fair. Listed below are guidelines to help you and others enjoy your time at the North Haverhill Fair. Please let us know early if you require special accommodations so we can assist you.

1. Payment in full, or credit card information, must be received by **June 1<sup>st</sup>** to guarantee you have the same spot as last year. Please make checks payable to the **North Haverhill Fair Association**. After June 1st, spaces will be assigned on a first come, first served basis. Credit cards will not be charged until the week of the Fair.
2. If you plug in before Wednesday (water and/or electric) you will be charged \$30.00 per night.
3. All Campsites get **ONLY 1** parking pass, due to space limitations. Any vehicle parked without the proper pass displayed from mirror, or parked in an unauthorized space, will be towed from the camping area at the owner's expense. All other 4-H parking **WITH PASS DISPLAYED** will be in the spaces facing the dairy barn.
4. All 4-H sites are on shared 20 amp circuit breakers. Tripped breakers have always been an issue. Microwaves, coffee pots, hair dryers, electric griddles and electric hot water heaters all draw a lot of amperage. Combined use of these appliances will trip the breakers.
5. **These sites will not run air conditioners.** If you try, and trip the breaker, you will be charged \$10 each time!
6. Pets are allowed only in the camping section and NEVER on the midway (not even if you carry it). Please pick up after your pet, and do not leave them unattended at your campsite.
7. The Fair Association is not responsible for lost or stolen items, or for injuries or accidents that may occur while camping at the Fairgrounds.

Thank you and as always enjoy your stay!
