## WELCOME TO THE NORTH HAVERHILL FAIR!

We are happy to have you camping with us at the 2026 Fair! Listed below are guidelines to help you and others enjoy your time at the North Haverhill Fair. Please let us know early if you require special accommodations so we can assist you.

1. Site specific reservations will not be accepted without a completed reservation form and payment in full. **If you camped with us last year, your reservation must be received by June 1st to guarantee your previous spot.** Please make checks payable to the North Haverhill Fair Association or provide your credit card information. There is a \$25 charge for returned checks.
2. If you plug in before Wednesday, you will be charged the applicable rate per night.
3. All Campsites get ONLY 1 parking pass, due to space limitations. Any vehicle parked without the proper pass displayed from mirror or parked in an unauthorized space will be towed from the camping area at the owners' expense.
4. 30 amp sites. Some sites in the Front Field are available with 30amp breakers. These sites will accommodate the use of ONE air conditioner.
5. 20 amp sites (Horse Barn area & Front Field). These sites will not run air conditioners! If you try and trip the breakers you will be charged \$10 each time! Power in the Horse Barn area will not be available until Wednesday.
6. Pets are allowed only in the camping section and NEVER on the midway (not even if you carry it). Please pick up after your pet, and do not leave them unattended at your campsite.
7. The North Haverhill Fair Association is not responsible for lost or stolen items, or for injuries or accidents that may occur while staying at the fairgrounds.

Thank you and enjoy your stay,

Paul Thurston
