PSYCHOLOGICAL
ASSOCIATION

APA Member Benefits for Students

Highly Respected Publications

Monitor on Psychology, American Psychologist, and APA Member Update to keep you up to date on the latest news, developments, and trends.

Networking Opportunities

Connect with other members and potential mentors at APA's 54 divisions, workshops, and the APA Annual Convention.

Cutting-Edge Research

Highly cited, peer-reviewed journals; science training, resources, tools, and more for psychological scientists and researchers.

Continuing Education Programs

Five free CE credits on Continuing Education programs annually and discounts on continuing education programs to encourage lifelong learning and continued professional development.

Professional Training

Virtual, in-person, and VOD learning on topics including teaching, lab management, and leadership.

Members-Only Discounts

Receive substantial discounts on journal subscriptions, books, videos, and electronic resources as well as APA's Member Advantage Program and a reduced rate on registration for the APA Annual Convention.

Career Support

Get career support with APA psycCareers and through professional development tools to prepare for your career in psychology.

Enrollment in APAGS

As a graduate student, you will automatically enroll in the American Psychological Association of Graduate Students (APAGS). APAGS gives you access to tools that help you succeed in graduate school and your career.
