

Outer Burial Container Price List

Prices are effective as of February 13, 2025, but are subject to change without notice. State or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

Dimensions are as follows unless otherwise specified: Interior: 30x86 | Exterior: 40x96
