Middle School (Grades 7-8)

- **Laptop Required**
 - We recommend purchasing a computer with an operating system (Windows) rather than a Chromebook because that is what will be needed when entering 9th grade. Chromebooks will not work with all high school curriculum programs. If you already have a Chromebook, it will suffice for middle school.
- **Math:** One-Inch Binder with Divider Tabs
- **Literature:** One-Inch Binder with Divider Tabs, Composition Notebook
- **Science:** One-Inch Binder with Divider Tabs, Composition Notebook
- **English:** One and ½ to Two Inch Binder with Divider Tabs
- **Social Studies:** One-Inch Binder with Divider Tabs, Composition Notebook
